

BEHIND THE MOON - GERD RUBE

(Written by Gerd Rube & Paul E. Harrison)

Intro: D, Bm, F#m, G, A7sus4 (2x)

D Bm7
Sitting nervously and waiting,
F#m G A7sus4
can't get you on the phone
A break in communication
I'm living on the dark side,
behind the moon, behind the moon

All systems go, my heart took a spacewalk
I could almost touch the sky
And see angels flying by
in outer space, to hold your face

G A
Ten, nine, eight... we started off the count down
D Bm7
Seven, six, five... the start of our lives
G A
Four three two... nothing left to do
D Bm7
One, zero, go... we blast off "what a show!"
G A4sus7
the dark side that is there
D Bm7 F#m7, G, A4sus7
behind the moon, behind the moon
D Bm7 F#m7, B
behind the moon, behind the moon

E C#m7
We flew on high in our total blackout
G#m7 A9 B11
way out here behind the moon
to the world we'd lost all contact
ain't no message coming through

A B
Ten, nine, eight... we started off the count down
E C#m7
Seven, six, five... the start of our lives
A B
Four three two... nothing left to do
E C#m7
One, zero, go... we blast off "what a show!"
A B4sus7
the dark side that is there
E C#m7 G#m7, A, B4sus7
behind the moon, behind the moon
E C#m7 G#m7, A, B4sus7
behind the moon, behind the moon

A B
Ten, nine, eight... we started off the count down
E C#m7
Seven, six, five... the start of our lives
A B
Four three two... nothing left to do
E C#m7
One, zero, go... we blast off "what a show!"
A B4sus7
the dark side that is there... (2 bars break!!)
E C#m7 G#m7, A, B4sus7
behind the moon, behind the moon
E C#m7 G#m7, A, B4sus7
behind the moon, behind the moon...
