

DO YOU STILL BELIEVE IN MAGIC - G.RUBE

(Written by Gerd Rube & Paul E. Harrison)

D D/B
Two young lovers and a love so new,
A E
Can make a stormy sky so blue,
Forgetting everyone they knew,
Do you still believe in magic.

Bm D
Just watch a child, it's as if they knew,
A E
That dreams and fantasies are true,
G A7sus4 A
Does that apply to me and you,

D A Em G A7sus4
Do you still believe in magic, do you believe, mmhh
D A Em A7sus4
Do you still believe in magic, do you believe

A little child so small and new,
So young and frail and belongs to you,
Steel blue eyes that bore you through,
Do you still believe in magic

-> Bridge -> Chorus

G Gm D A
Do you still believe in magic, That little something in the air
Em G A7sus4 A
And if all it is, is magic, You know you'll find me there
